

USTC
University of Science and
Technology of China

Welcome to Study at USTC

The University of Science and Technology of China (USTC) is the first university established by the Chinese Academy of Sciences (CAS). It is noted for its advanced science and high technology programs, unique management studies and well-tailored disciplines in the humanities and medical sciences.

As a prominent university, USTC is a member of the C9 League, consortium of top 9 universities in China, and ranks **top 5 in China's mainland** and **top 100 globally in the latest world university rankings**.

Of more than 1000 full professors, 68 are academicians of the Chinese Academy of Sciences (CAS) or the Chinese Academy of Engineering (CAE). Nobel laureates and world-renowned scholars visit USTC regularly, face-to-face with students.

USTC is particularly strong in Quantum Science, Physics, Material Science, Chemistry, Engineering, Computer Science, Energy Science and Technology, Nanotechnology, High-Temperature Superconductivity, Speech Processing, Fire Science and Life Science.

USTC offers **36 undergraduate programs**, **96 master's programs**, and **98 doctoral programs in Mathematics**, Physics, Chemistry, Life Sciences & Medicine, Material Science, Engineering, Electronic Information, Computer Science, Earth and Space Sciences, Management Science, etc. in **31 schools and institutes**. Among them, some master's programs and all doctoral programs can be conducted in English.

* research institutes

Apart from the six main campuses in Hefei, the capital of Anhui Province, USTC also has institutes in Beijing, Shanghai, Suzhou, Nanjing, Guangzhou, Changchun, and Shenyang.

Why select USTC?

Top University | Diversified International Student Programs | Competitive Scholarships
